Tēnā koutou katoa

It is with heavy hearts and much sadness that the Board of Trustees informs you that we have received the resignation of our Principal, Tim Foy. Tim's last day will be Friday, September 29<sup>th</sup>, 2017 (end of Term 3).

We know that this announcement will also be sad news for our community. We would like to thank Tim for his many years of service as a teacher and Principal of Huntly College. As you will know, Tim has had a long history with Huntly College and the community, starting as a teacher at Huntly College from 1985-2001, and being appointed as the Principal in 2004. During this time Tim has cared, nurtured and supported his students, staff, board and our community. Tim's focus and passion has always had the best interests of students at heart, he has been more than a Principal, he is a teacher, coach, friend and mentor to many people in our community.

While it is too soon to have decided on the process for recruiting a new principal, we can confirm that during the Term 3 school holidays, Rachael Parker (Deputy Principal), will step into the position of Acting Principal. We will update you further in early Term 4, but are confident that there will be no impact on the College's teaching, learning and assessment programmes as these remain the College's key priorities particularly at this important time of year.

In the meantime, we would like to wish Tim all the very best for his future endeavours. While he will be missed at school, his significant contribution to Huntly College and our community will always be remembered.
