PRINCIPAL'S MESSAGE

Kia ora Koutou

What a spectacular event our 'Celebration of Success' was. Thank you to all of you who came to share in this annual event, I know how proud you will be of all your students.

I was very impressed with our presenters, so confident and eloquent and so proud of their achievements this year in Puna Ako, the 'I am' Modules and in Pathways. I was also very impressed with the way all our students managed themselves so respectfully on the day.

2019 has been a year of change in the College and we are all very excited with the academic results that have been achieved already. We are particularly proud of our Level 2 students, 90% of whom have gained the required literacy and 75% have already gained Level 2.

We will have updated results for you at the beginning of next year.

Because of the way our Modules work, we also have year 9 & 10 students gaining NCEA credits, 28% in year 9 and 48% of students in year 10 have already gained some credits in NCEA.

These credits will set the students up very well for achieving NCEA in the senior school.

To the students who are leaving we wish you all the very best. REMEMBER you are still part of Huntly College whanau. If you need any support, references, extra study to get into particular courses we are here for you!

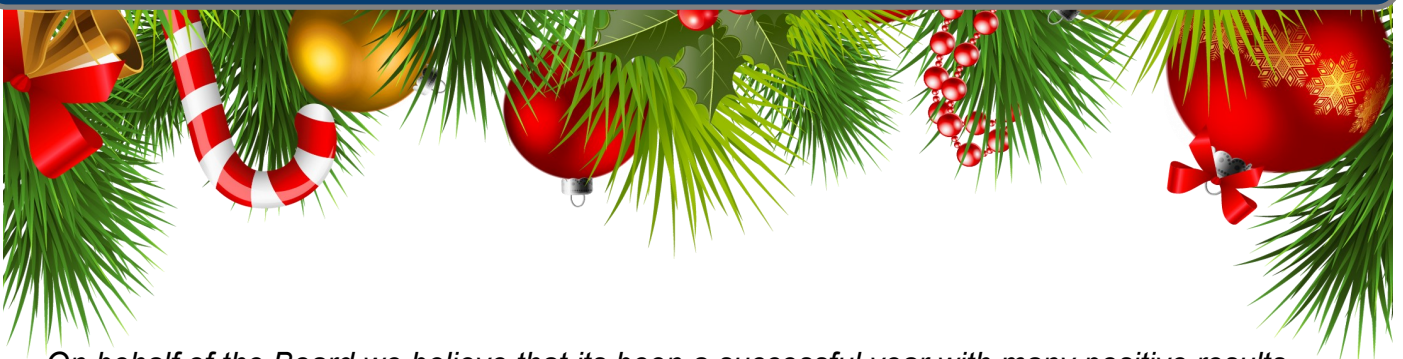

*Enjoy your break everyone **AND** remember Huntly College is a school for leaders **AND LEADERS ARE READERS.***

FROM THE BOARD OF TRUSTEES CHAIRPERSON

On behalf of the Board we believe that its been a successful year with many positive results.

We would like to congratulate all the students that received awards at our 'Celebration of Success'.

We hope they inspire their peers to strive and achieve.

At this time I would like to thank our Leadership Team, Staff and Board Members for the hard work that they have done throughout the year to ensure that every student has had the opportunity to be successful at Huntly College.

We wish everyone a very safe Christmas and New Year. We look forward to working with and alongside you in 2020.

Waka Ama Australia

Kia Ora Koutou

We being the J19 Waka Ama girls went to Australia to compete in the Trans Tasman Gubbi Gubbi championships in the Sunshine Coast. Our team came back with a bronze medal in 500m sprint. A few of our girls also paddled mix with some of the J19 boys and they also came back with a bronze medal in 500m mix.

We all enjoyed our time over in Australia and was a great experience for us girls. It was awesome to notice the difference in competitions from the New Zealand competition and the Australian competition. This was an experience that we all will cherish and remember forever.

Advice for upcoming paddlers - work hard, commit to your goals and opportunities will come your way. Believe in yourself.

We are truly grateful for all the people that supported us behind the scenes. If it was for your support we wouldn't have gotten as far as we did.

We would like to give a Special Thank you to the Karioi Trust for their sponsorship. As they were a huge sponsor for us to get over to Australia. Their continued support and belief in us is very much appreciated. We would also like to give a big thank you to the many other sponsors that have contributed to our trip and without your help our trip would have never been possible.

Last but not least we would love to give a special thank you to our beautiful manager Dale for putting up with us and using her encouraging words to motivate us in those early cold mornings. We would also like to give a special thanks to the beautiful Linda for being the best coach and inspiring us to train hard. The memories we share with you are forever kept within us. We could never forget your warm up 48 races before our actual race and all of your "whatevers" in response. We thank you both for believing in us and guiding us along our journey.

Best wishes to our paddlers in 2020
From the J19 Female Waka Team 2019

JUNIOR ADVENTURE WEEK

Week 4 was our Junior Adventure week.

Students did a range of activities which included - Adventure Based Learning activities Mountain Biking, Waka Ama, Bush Craft and Arts. Some stayed on an overnight where there was a master chef competition and an intense riff off around the campfire. For many of our students it was their first time pitching a tent and cooking pancakes on the camp cookers.

A special thank you to the Allen's for their hospitality up at the new Lake Kimihia development.

A big thank you to our senior student leaders who supported our juniors throughout the whole week.

A lastly thank you to Donald from POET and our awesome teachers who helped make it all happen.

Congratulations to the students who achieved their NCEA Level 1, 2 or 3 this term

OUR PATHWAY ON WEDNESDAY IS CALLED “HC CAFE.”

On Wednesday 30th November, our pathway students who range from Year 9 to 13 catered for children from Huntly Central and Huntly West Kindergarten. The children were invited to dine at our cafe which was themed “Under the Sea.” Our students came up with the cafe decor, table decorations and menu. The menu included; crab croissants, clam biscuits, hot dog boats and jelly cups. We kept the children entertained with bubbles, music, balloons and a treasure hunt. The children left with big smiles on their faces and was thoroughly enjoyed by teachers and parents who attended.
